Goodie Girl Cafe is located at the JCP.
It is independently owned.

No more containers that
come home smelly.
No more rummaging for
lids that never fit.
No more trips down
bamboozling grocery
aisles, adorned by
cracker bunnies
and smiling cookies.

Take School Lunch off Your Plate

If your least favorite job as a parent is making lunch, (and trust me, you're not alone) – A scrumptious, freshly prepared lunch, that is ready for you before school starts, is your salvation!

Every lunch bag includes a main course, a nutritious snack, seasonal fruit and a small juice, (water or milk available on request).

How can you sign up?

Getting started is easy. Decide the number of weeks, choose the number of days per week, and check the combinations that you like. Then, let us fill your child's lunch bag with a great variety of the best-looking, seasonal ingredients at the market.

We strive to use as many organic and local foods as possible, especially when purchasing our fruits, vegetables, eggs and dairy. All of our ingredients are nut-free.

Lunches are individually packed with all utensils and condiments needed.
